Inspect the property before making an offer

Viewing arrangements can be made with our Auction department.

Seek legal advice

Making an offer should be a firm commitment, in some cases, copies of relevant legal documents are available so that you and your solicitor can review them.

Check your eligibility to buy properties prior to making an offer

Under the Residential Property Act, a foreign person/company purchasing any landed residential property is required to seek prior approval from Land Dealings (Approval) Unit. Interested buyers who require loan financing should consult and inform their bankers on their eligibility requirements.

What are the procedures for property to be sold via private treaty? How long does it take for the completion of sale?

An offer for the property should be accompanied with a Letter of Offer and a 1% option fee for the vendor's consideration. The offer is subject to the vendor's approval, subject to contract and subject to no other higher offers. If the offer is not acceptable, the cheque of 1% deposit will be returned to you.

Should the vendor accept the offer, an Option to Purchase will be issued.

- i) If Option to purchase is not exercised - 1% will be confiscated by the vendor and no refund / claim shall be entertained thereafter;
- ii) Upon exercising the Option to Purchase, typically within 14 days, the balance 4% or 9% of the option fee price shall be due payable. For commercial and industrial properties, where Good and Services Tax (GST) is payable, GST on the 1% option fee should be made together with the Letter of Offer and the remainder full GST amount should be payable together with the 4% or 9 % Option fee.

The date of completion of sale is usually between 8 and 10 weeks from date of exercising of the Option to Purchase Agreement.

Act quickly

Some properties sell quickly and vendors often accept offers on a first come first serve basis subject to contract and availability.

Inform your solicitor and banker once an Option to Purchase has been issued

Your banker can begin to process your loan application and your solicitor must get in touch with the vendor's solicitors for the conveyancing of the legal completion etc.

Keep in touch

Always leave your contact number/emails etc. behind for updating of the status of the property even though the vendor has rejected your offer for the property. It may be possible that the vendor may decide to sell later at a price agreeable to both parties.
